This page contains a lot of info

- Videos - See the result of the survey we did at ECTO, this co-working space where our non-profit resides. The first video shows a less than enthousiastic result whereas the seconde time we did the says survey, the results were better. Off course, you understand that this is a humoristic set-up. See bellow the participants in our 'Thank you Space'. Note: yes, the videos are in french.
- We embeded the articles we published on the social
- We need help. Please remember that without your help... we can not breathe
- Showing bellow are all the links for you to donate
- AND, off cours, we have a 'Thank You' space & how to contact us.

Welcome to our world
