Disclaimer

❝

> *We are not a "multinational with unlimited resources. This web site is managed by volunteers. We do not have a full time attorney. We encourage Free Libre Open Source initiative and this GNU licence is an inspiration. If you have any urgent question, you can always DM Daniel, the co-founder of this space.*
>
> *You can find our legal corporation administrative rules via the 'registre des entreprises du Québec'. Look for: yogapartout-satoshi.yoga*

Note: after the paragraph here bellow titled 'Linode helps us', the content needs to be translated from French to English
If you want to become a member with voting power and you hesitate, here is our co-founder's WhatsApp number. We're in Eastern Standard Time.

Our administrative rules are available for consultation upon request via this url. If you don't get an answer within a reasonable time, here are some email address where to write to:

- President email address
- Vice president email address
- Secretary's email address
