Roles

- There is me, Ramiandra. I take care of social media. I'm helping members in whichever tasks they have difficulty to work with + I answer pretty much all email questions coming in this 'mail box': yogapartout@satoshi.yoga
- Because 'the social media sphere is vast' I get help from my friends. See this A little help from my friend's page
- There is Daniel, one of the co-founder. You can reach him directly when you fill up our Enquiry Form
- Finally, there are other members in the background who give us advices. They are new users, also super busy people up to the point where they asked us not to mention either their email addresses, contact and web page names. Just trust the process and fill up our 'Enquiry' form. It is where everything starts.
